Percentage: 65.26%

TRAININGS / CERTIFICATIONS

Full Stack Web Development
Dec 2023 - Jan 2024

Https://innovationshub.in/, Nashik

During the one-month full-stack development internship, I gained hands-on experience in designing, developing, and deploying web applications. On the front end, I worked with technologies such as HTML, CSS, JavaScript, and frameworks like React/Angular to create responsive and dynamic user interfaces. On the back end, I developed RESTful APIs and managed server-side logic using Node.js/Express and integrated databases like MongoDB/MySQL for data storage and retrieval.
